KL15

Anti-Vandal Mechanical KitLock

Simple, tough and good value for money, the KL15 offers mechanical keyless access with Private or Public Function models suitable for a variety of locker and cabinet applications.

The KL15 can be surface mounted with an ergonomically designed surface trim plate that provides additional grip allowing ease of opening. If it's a sleek look that will better suit the application, the KL15 can also be flush fitted.

FEATURES

- Flush or surface mounted
- Anti-vandal handle
- Salt spray tested
- High / low temperature/humidity tested
- 4 wheel combination
- Up to 10,000 unique combinations
- Locked / unlocked indicators
- Private and Public Function
- Suitable for internal and external applications
- Available in Vertical or Right/Left hand horizontal
- Optional pull handle available separately
- Flat and cranked cam supplied as standard
- Locked (red) / unlocked (green) indicators
- Surface mount/flush fit fixings supplied as standard
- Fixed spindle suitable for panel thickness 0.8mm - 18mm ($\frac{1}{32}$ " - $\frac{11}{16}$ ")

FUNCTIONS

Private Function

The KL15 Private Function is ideal for use where the same, personal 4 digit code will be repeatedly used, e.g. an employee with the same locker/drawer in the workplace.

Public Function

The KL15 Public Function is ideal for short term, multiple occupancy applications. The user enters a personal four digit code, this locks the lock. The same code is entered once only to open the lock, the lock remains open ready for the next user.

Installation

The KL15 can be installed to fit either flush or surface mounted applications. All necessary fixings are supplied with the lock.

KitLock by Codelocks is a convenient and stylish alternative to traditional key-operated locker locks. Cabinets and lockers in any setting including gyms, leisure centres, schools, hospitals and offices can be opened using a code, eliminating the inconvenience of coins and keys.

KL15 HANDING

Vertical

The vertical models are non-handed and supplied to suit Right or Left Hand hung doors.

Horizontal

The horizontal models are handed and available in Right or Left Hand versions.

Easy to install

Mechanical keyless access

One year guarantee¹
