## Gulf Conformity Tracking Symbol (GCTS) for Products:

The GCTS in different sizes and shapes is supplied by UL together with this certificate.

Certified products shall be marked under the sole responsibility of the manufacturer. The above GCTS is related to the models covered by this Gulf Type Examination Certificate only and shall be used according to “GSO Rules for the Use of the GSO Conformity Tracking Symbol (GCTS)”.

The symbol includes three elements (Gulf Conformity Marking - G-Mark logo, ID number of the Notified Body and QR code) and is considered as a single entity.

It shall comply with the minimum dimension requirements and maintain the proportion; it shall be easily visible, permanent and readable by QR codes scanners.
