atc Cub High Speed Hand Dryers

Low Energy 500W
Unique Design

atc Cub High Speed Hand Dryers

DESCRIPTION

Product Code	Z2651M	Z2651BL
Cover Material	Stainless Steel	Stainless Steel
Finish	Brushed Stainless Steel	Black Painted Steel
Warranty	1 Year	1 Year
Activation	Automatic	Automatic

ELECTRICAL SPECIFICATIONS

Voltage	220V - 240V
Frequency (Hz)	50 / 60Hz
Motor Type	Brush Motor
Power Output	1150Watts
Motor Power	500w
Heating Power	Off/650W
Amps	5.2 Amps
Sensor	0-250mm
Drying Time	15 seconds
Air Speed	65m/s

NOISE LEVEL

72dB at 1m

APPROVALS

SAFETY FEATURES

Motor Thermal Protection	Turns unit off at 135°C
Heater Thermal Protection	Turns unit off at 100°C
Time Protection	45s Auto cut off
Cover Screws	Vandal Resistant
Protection	IPX1

SIZE AND WEIGHT

Width	153mm
Height	280mm
Depth	162mm
Weight	3.2kg

Note: All calculations assume a supply Voltage of 230V

The new low energy ATC High Speed Cub as low as 500w

Energy Efficient
Low Running Costs
500 Watts Economy
1150 Watts Maximum

Stainless Steel
2 Options

Automatic Operation
Dries Hands in 15 Seconds

More Hygienic
No touch Operation

Excellent Value

The ATC High Speed Cub has just got Greener
