STYLE ELECANCE INTERCOM HANDSET. S2

Entry phone with electronic call, conversation button on base, call volume control, privacy function, and conversation privacy. Equipped with a series of key buttons and a further 8 buttons for intercom function or various services (2 of the buttons can be used as a C/N.O contact). Equipped with LED that may be used for various signals (busy, doctor function). Complete with 8-position dip switch for selection of the desired user code. Door entry phone for use in all Simplebus systems. Allows management of floor door call, call repeat, sending of alarm signals to the porter switchboard, call to main switchboard, secondary switchboard and guardian door entry-phone. Allows direct intercom calls between users with the use of an interface or porter switchboard and the use of a number of relay actuators; programming of buttons does not require dedicated programmers. Fitted with terminal art. 1214/2C. The fascia can be changed on this model. Dimensions: 95x215x58 mm.
