

3 in 1 Magnetic Wireless Charger

Order ref: 421.778UK

User Manual

Thank you for purchasing this 3 in 1 Magnetic Wireless Charger.

This unit is a compact wireless charger for home, business, and travel use. It can charge 3 devices simultaneously. To charge your mobile phone, watch and earphones simply place them on the designated area and charging will automatically start.

Operating Instructions:

1. Open the 3 in 1 Charger and lay it on a flat surface.
2. Connect the supplied USB C cable to the charger and the other USB C to a 5V/3A, 9V/3A, 12V/2A or compatible outlet. The charger will then power on and the green LED should illuminate.
3. Place your phone on the wireless phone area on the left pad.
4. Place your compatible watch on the watch pad.
5. Place your compatible earphones on the earphones pad.

The LED light will blink slowly when charging a phone or earphones. When charging a watch, the LED will remain on. If the LED starts to blink rapidly, this means that an unknown or incompatible device is being detected. This device must be removed for charging to continue.
