# Stainless Design Toilet Roll Holder 289

Holds 1 jumbo roll + 1 standard roll  
Hygienic and durable  
2-year warranty

Exclusive toilet roll holder with smart, vertically rotating plate with room for one jumbo and one standard-sized toilet rolls. Stainless Design is a complete product line for commercial toilets, in which quality and aesthetics are paramount. The entire stainless product line is made of strong quality materials, featuring unique design with a beautifully arched housing in brushed stainless steel.

## Application

The Stainless Design product line combines hygiene and durability with classic elegance to suit any commercial bathroom. The products are designed specifically for use in public toilets where low-maintenance is called for, and equipment must be able to withstand rough treatment.

## References

Offices and administration, shopping malls, restaurants, hotels, airports, train stations, sports facilities and public swimming pools, schools, public institutions and cultural centres.

## Tender text

Toilet roll holder in 1.5 mm brushed stainless steel AISI 304. Capacity: 1 jumbo and 1 standard size toilet paper roll. Net weight: 9.9 kg.  
H: 535 x W 375 x D 144 mm/open front: 506 mm.

## Standard colour

Brushed stainless steel

## Variants

Also available in all RAL colours.

## Installation

Wall mounting.

## Function

When the jumbo roll is empty, the small roll automatically falls in place. Quarter-circular slit makes it possible to check paper without having to open unit. Access to the internals of the dispenser is only possible with a special key fitting all products of the Stainless Design series.
