RAISE AWARENESS, IMPROVE PRODUCTIVITY
AND WELLBEING WITH REAL-TIME
MESSAGING

Smart Hygiene Smarter Advertising

The Full-Motion Dispenser™ and AdDryer™ feature all the benefits of the Savortex® range but can also deliver dynamic campaigns that will provide up-to-date health and safety information, and elevate your brand with company news or products. Should you choose to invite external advertisers, we will work with you to provide insightful advertising in line with your company ethos.

Full-Motion Dispenser™

AdDryer™

Compelling messaging:

The Full-Motion Dispenser™ and AdDryer™ feature a 5.7in screen that delivers engaging messaging to advertise products or promotions and raise awareness, promote better hand hygiene & wellbeing.

Real-time interaction:

Messages can be displayed in real-time, thanking staff for sanitising or providing current safety advice.

Create messages in minutes:

Messages and videos can be created or uploaded in minutes via our simple to use management system.

Savortex® Advertising Content Management System.

INTRODUCING THE FUTURE OF WORKPLACE SAFETY AND WELLBEING

The Savortex® Full Motion Sanitiser™

Use compelling messaging in full HD video to convey up to date health and safety information. Dynamic visual campaigns remind staff to sanitise and promote better hand hygiene practices. The Full Motion Sanitiser comes with a complete hygiene management system and dedicated portal.

THE
SAVORTEX®
HYGIENE APP

THE SAVORTEX® HYGIENE PORTAL

KEY BENEFITS

Compelling messaging:

Features 5.7in screen that delivers engaging messaging to advertise products or promotions and raise awareness, promote better hand hygiene & wellbeing.

Remote liquid refill alerts:

The intelligent dispenser remotely informs managers when liquid is running low and displays usage information in real-time on the hygiene portal.

Real-time infection control management:

You can use real-time hand sanitisation information to prevent the spread of infection and protect the safety and wellbeing of staff. The solution comes with a fully branded GDPR compliant* hygiene app.

A fully branded online Hygiene Portal:

The customisable GDPR compliant* hygiene portal displays key hand sanitisation information for you to manage hygiene performance in real-time.

Available mains or battery powered.

INTRODUCING THE FUTURE OF SMART HYGIENIC WASHROOMS

The Savortex® AdDryer™

The revolutionary AdDryer™ is connected to the Internet and records real-time usage and content impressions, then wirelessly reports the data to our on-line portal for analytics, alerting cleaners to washroom inspection on footfall stats, and with its connection to a programmatic content management system it shows the user a tailored message as they dry hands.

5 Year
Guarantee

THE
SAVORTEX®
WASHROOM
APP

THE SAVORTEX® WASHROOM PORTAL

KEY BENEFITS

Compelling messaging:

Features 5.7in screen that delivers engaging messaging to advertise products or promotions and raise awareness, promote better hand hygiene & wellbeing.

ADD FEATURE*

Real-time washroom cleaning alerts:

The smart hand dryer alerts cleaners through your fully branded Savortex® Washroom App to inspect washrooms based on actual footfall metrics.

ADD FEATURE*

Access to your customisable online washroom portal:

The washroom portal allows you to see real-time washroom usage.

The most sustainable hand dryer:

Made from recyclable ABS plastic, the uses 88% less energy than traditional dryers and saves 99% on cost against paper towels.

Built to last:

Thanks to an advanced brushless motor and superior components the EcoCurve has a 10x longer lifespan than traditional dryers.

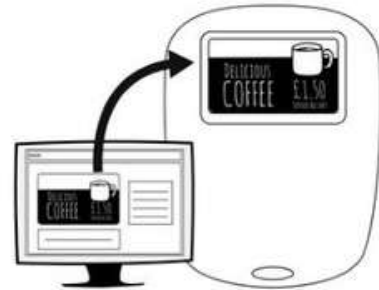

How The Content Management System Works

You can use the Full Motion Sanitiser and AdDryer to display adverts, special offers, menus, news and up to date government advice.

1

CREATE AMAZING LOOKING MARKETING CONTENT IN MINUTES

Using our easy-to-use AdWizard, you can quickly edit the content using a simple web form, animate the text and images, then publish it to your screen. No technical expertise required.

2

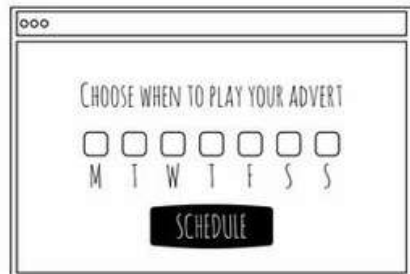

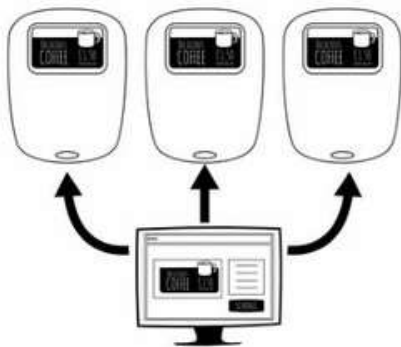

CHOOSE FROM 100S OF PROFESSIONALLY DESIGNED ADS

You'll never be stuck for choice with our ever-expanding library of adverts, conveniently arranged into categories for almost any industry. Can't find what you need? We'll create it for you!

3

SCHEDULE ADS TO PLAY ON THE DAY AND TIME OF YOUR CHOICE

Plan in advance and ensure your content is seen – Perfect for sending out time-sensitive messages or promoting offers at specific times of the day.

4

MANAGE MULTIPLE SITES FROM A SINGLE LOCATION

YadDryer's scalable controls allow Administrators to manage all aspects of their account including their venues, screens, playlists, adverts and users.

5

SELL ADVERTISING SPACE TO LOCAL BUSINESS

Take advantage of adDryer's library of templates to advertise for local businesses and let your system pay for itself. Perfect for Taxi drivers, hairdressers, mechanics and more!

Why advertise on the Savortex® Media Network?

Savortex® Media is a revolutionary eco-friendly advertising platform, enabling advertisers and our network partners to promote ad campaigns, rewards and incentives, specific to gender, time and location to guaranteed eyeballs and professional audience demographics.

UNRIVALLED ENGAGEMENT

The most challenging aspect of modern advertising is reaching people without the myriad of distractions we have available to us 24/7.

When people are drying their hands they are not distracted by other devices such as phones or other stimulants such as TV or typically, other people. This 'full focus' method of advertising offers a unique access to a captivated audience.

SAVORTEX® SYSTEM PROTECT
