DUOX PLUS CORAKIT PANEL

Ref. 7732

- **Duox Plus technology:** the only **100% digital Smart System in 2 wires**.
- **Slim, compact, and elegant panel** with a high-quality zamak finish and a high-gloss black front integrating the camera and status indicators. Also available with two pushbuttons (ref. 7733).
- Very simple **surface installation** with removable connection strips.
- Installation with **a single vandal-proof screw**.
- Built-in **relay for opening a second door**.
- **IP54 watertightness rating** and **IK07 impact resistance**, ensuring optimal outdoor performance.
- **Simple configuration and management from a mobile/tablet/PC via a web server**, without the need to open the panel.
- **Wide-angle colour camera** (H: 118°, V: 70°) and **LED lighting** for clear night vision.
- **Visual status indicators and a customisable voice synthesiser** to comply with accessibility standards.
- Large **metal pushbutton**.
- **Backlit cardholder** with front access system for quick label replacement.
