

900 Series

STANDARD AUDIO SYSTEMS

The 900 series audio door entry systems are recognized for their high quality and competitive pricing and are widely accepted as the industry standard.

Each system provides all of the components necessary to install a complete audio system. Available from a 1-way system up to any size. Highly durable, corrosion resistant, surface or flush (flush only from 12+). DC as standard. The 801 telephone is manufactured in white high impact ABS plastic that compliments most wall furnishings.
