

**AHDVR004S05BSL**

**XVR 4 INPUTS 5MP**

**SMART  
SERIE**

5-hybrid stand-alone digital video recorder (AHD/TVI/CVI/CVBS/IP), 5 MP, 4 analogue video inputs and up to 16 IP video inputs. H.265/H.265+/H.264/H.264+ video compression, dual streaming, alarm inputs / outputs

### XVR 4 INPUTS 5MP

#### MAIN FEATURES

|                                 |                                                                                                                                                                                |
|---------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Video inputs                    | 4 BNC + 2 IP (5MP max) / 16 IP (5MP max) / 2 BNC + 7 IP (5MP max)                                                                                                              |
| Main video output               | 1 (HDMI), 1 (BNC), 1 (VGA)                                                                                                                                                     |
| Audio Inputs/Outputs            | 2 (RCA) / 1 (RCA)                                                                                                                                                              |
| Alarm Inputs/Outputs            | 4/1                                                                                                                                                                            |
| Video compression               | H.264 / H.264+ / H.265 / H.265+                                                                                                                                                |
| Playback / recording frame rate | BNC: 4 (8MP Lite/4MP@8fps, 5MP@6fps, 5MP Half@10fps, 4MP Half/FULL-HD@15fps, 3MP@9fps, 3MP Lite@18fps, HD/960H@25fps). IP (H.265): 12 (4MP/3MP@25fps, 16 (FULL-HD/HD/D1@25fps) |
| Additional Hard Disks (SATA)    | 1 (8TB max)                                                                                                                                                                    |

#### SOFTWARE/FIRMWARE SPECIFICATIONS

|                                                        |                                                                                                                                                                                                 |
|--------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Operating system                                       | Linux embedded                                                                                                                                                                                  |
| Recording methods                                      | Automatic, manual, programmed, event                                                                                                                                                            |
| Recording type                                         | Dual streaming                                                                                                                                                                                  |
| Maximum number of channels being played simultaneously | BNC: 4 (5MP@6fps, 8MP Lite/4MP@8fps, 3MP@9fps, 5MP Lite@10fps, 4MP Lite/FULL-HD@15fps, 3MP Lite@18fps). IP: 1 (4MP/3MP@30fps), 2 (FULL-HD@30fps). MIX: 1 (5MP/4MP/3MP@30fps), 2 (FULL-HD@30fps) |
| Protocols supported                                    | DDNS, DHCP, FTP, HTTP, NTP, RTCP, RTP, RTSP, SMTP, TCP/IP, UPnP, ONVIF 2.4 (Profile S/T)                                                                                                        |
| IP assignment                                          | Manual, DHCP                                                                                                                                                                                    |
| Encrypted transmission                                 | SSL                                                                                                                                                                                             |
| Max bandwidth (Mbps)                                   | 50                                                                                                                                                                                              |
| Remote control via browser                             | Internet Explorer                                                                                                                                                                               |
| Remote control by software                             | Comelit Smart CMS                                                                                                                                                                               |
| Remote control by mobile                               | app Comelit View Smart (Android, iOS)                                                                                                                                                           |

#### FUNCTIONS

|                  |     |
|------------------|-----|
| Motion detection | 396 |
|------------------|-----|

## AHDVR004S05BSL

### XVR 4 INPUTS 5MP

#### FUNCTIONS

|                      |              |
|----------------------|--------------|
| Privacy zones (n°)   | 3            |
| Loss of video signal | Yes          |
| System log           | Yes          |
| E-mail notification  | Yes          |
| Pre-event recording  | 5÷30 seconds |

#### HARDWARE SPECIFICATIONS

|                           |                                     |
|---------------------------|-------------------------------------|
| Type of connections/ports | 1xEthernet 10/100 Mbit/s, 2xUSB 2.0 |
| Fanless                   | Yes                                 |

#### GENERAL DATA

|                                 |                     |
|---------------------------------|---------------------|
| Max absorption (W)              | 10                  |
| Power supply voltage (VDC)      | 12                  |
| Supply voltage (VAC)            | 100÷240, 50÷60Hz    |
| Height (mm)                     | 43                  |
| Width (mm)                      | 215                 |
| Depth (mm)                      | 260                 |
| Product weight (g)              | 2000.01             |
| Type of finishing materials     | Metallic            |
| Product color                   | Black               |
| Operating temperature (°C)      | -10 ÷ 55            |
| Operating humidity (RH max) (%) | 25 ÷ 90             |
| Supplied accessories            | Power supply, Mouse |
| System backup                   | USB 2.0             |
