WIZARD

The screenshot shows the 'Wizard' application with two selection screens. The 'Language' screen on the left has a list of languages: English, Italiano, Español (Spain), Français, and Nederlands. 'English' is highlighted in green and marked with a circled 1. The 'Locality' screen on the right has a list of countries: Italy, Jamaica, Japan, Jordan, Kazakhstan, Kenya, Kuwait, Laos, Latvia, Lebanon, and Libya. 'Italy' is highlighted in green and marked with a circled 2. At the bottom right, a red arrow points from a circled 3 to a 'Next' button.

Privacy statement

We fully respect your privacy, so we hereby prepare this Application Privacy Statement (hereinafter referred to as this statement) so that you can understand how we collect, use, disclose, protect, store, and transmit your personal data. Please read this statement carefully. If you have any questions, please let us know.

Personal information refers to all kinds of information recorded electronically or otherwise that can verify the personal identity of a natural person, either independently or in combination with other information. This statement describes how we process your personal information but does not cover all scenarios. The products or services discussed, mentioned, and introduced in this statement are not all available to everyone or in all geographical locations. How specific products or services process your personal information is published by us in a special privacy notice or supplemental statement for that product or service. In addition to this statement, it is recommended that you read the privacy notice or supplementary statement when using specific products or services.

This statement applies only to personal and enterprise products, including computer applications, mobile Internet applications, software, toolkits, and services that display or refer to this statement.

This statement will help you understand the following:

- I. How we collect and use your personal information
- II. How we use cookies and similar technologies
