Installation

Contents

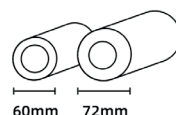

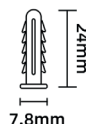

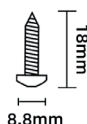

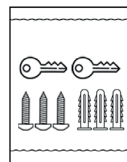

Take out the product

Confirm the product and accessory pack

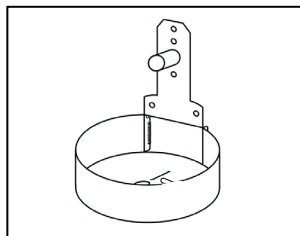

- Key x2
- Mounting Screw x3
- Plastic Anchor x3

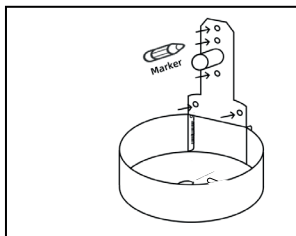

The standard inner spindle is 40mm. Extra inner spindle accessory will be added according to the local market.

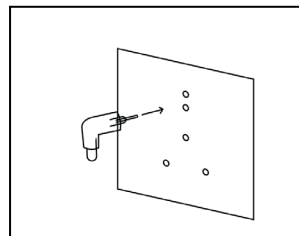

The roll paper also has two sizes of shaft cores, 60mm/72mm

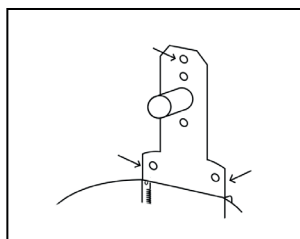

1. Open the dispenser with the key provided

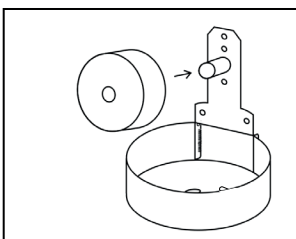

2. Hold the opened dispenser to the wall and mark the screw holes

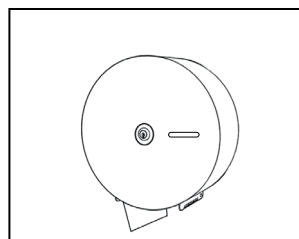

3. Drill the holes and insert the plastic hole plugs

4. Secure the dispenser to the wall with the screws. It is recommended to use the top and the bottom holes. For added security use additional screw holes

5. Install jumbo toilet roll. Install the inner spindle accessory if provided.

6. Close the cover and lock with the key.
