Waste Electrical and Electronic Equipment (WEEE) Directive 2012/19/EU –

To whom it may concern,

Detector Electronics Corporation (Det-Tonics) meets all the applicable requirements of the WEEE directive to prevent waste consisting of electrical and electronic equipment from being introduced to the waste stream. Per the requirements of the WEEE directive, Det-Tronics takes responsibility for disposal, and or recycling, of all Det-Tronics Flame, Gas and Systems detection products.

As of the directive's effective date of August 13, 2005, all products are labeled with the WEEE-approved recycle bin marking (see below) indicating the product should not be disposed of with typical household waste:

Contact Det-Tronics for instructions on safe disposal of any Det-Tronics products.
