

Product Code: MAGDUOREP

Luckinslive 406864073

Description: Conventional Repeater Panel for MAGDUO

General Information

Dimensions (mm)	250 x 140 x 85
Materials	Housing: UL94-V0 rated ABS
Maximum Number Per Panel	8
Compatible Panels	MAGDUO 4 & 8 Zone panels only
Weight (Kg)	0.65
Warranty (Years)	3

Supply & Power

Nominal Operating Voltage (V DC)	24
Maximum Cable Size (mm ²)	1.5 (2 Core Screened Fire Rated Cable)
Current Consumption (Quiescent)(mA)	16 (24V DC)
Maximum Current Consumption	50mA (24V DC)

Communication

Communication Type	RS-485
--------------------	--------

Environment

Ingress Protection	IP20
Operating Temperature (°C)	+5 to +50

Additional Information Comes with 6 x 20mm Knockouts, 40 x Double 20mm Knockouts
