

Product Code: MAGPRO-DBS1

Luckinslive 437271910

Description: MAGPRO Addressable Fire Sounder Deep Base White

General Information

|                           |                |
|---------------------------|----------------|
| Dimensions (mm)           | ø105 x 22      |
| Colour                    | White RAL 9016 |
| Materials                 | Housing: ABS   |
| Volume Modes              | 2 (Low & High) |
| Number of Available Tones | 32             |
| Weight (Kg)               | 0.12           |
| Warranty (Years)          | 3              |

Supply & Power

|                                                                           |                               |
|---------------------------------------------------------------------------|-------------------------------|
| Operating Voltage (V DC)                                                  | 16 - 32                       |
| Maximum Consumption at Communication (µA)                                 | 470                           |
| Maximum Consumption In Activation - Tone Type 27 - High Volume Level (mA) | 10 (@27V DC)                  |
| Maximum Consumption In Activation - Tone Type 27 - Low Volume Level (mA)  | 3 (@27V DC)                   |
| Wiring Type                                                               | Analogue Addressable (MAGPRO) |

Inputs & Outputs

|                               |    |
|-------------------------------|----|
| Sound Output @ 1m (Low) (db)  | 81 |
| Sound Output @ 1m (High) (db) | 88 |

Communication

|               |                 |
|---------------|-----------------|
| Protocol Type | Custom (Closed) |
|---------------|-----------------|

Environment

|                                  |                               |
|----------------------------------|-------------------------------|
| Ingress Protection               | IP21C (with mounted detector) |
| Operating Temperature (°C)       | -10 to +55                    |
| Relative Humidity Resistance (%) | 93 (±3) (@40°C)               |

Compatible Products

MAGPRO series of CIEs  
MAGPRO series of Detectors  
MAGPRO-DB  
MAGPRO-DB23R  
MAGPRO-DB23W

Additional Information

Requires MAGPRO-DB, MAGPRO-DB23R or MAGPRO-DB23W to connect to MAGPRO loop  
Requires firmware version; MAGPRO16/G V6.6.2, MAGPRO96/G V4.5.2 & MAGPRO9601 1.1.3
