

# CCTV ACCESSORIES

Product Code: MON18L

Description: 18.5" Widescreen LED CCTV Monitor with HDMI, BNC & VGA Connection

## Technical Specification CCTV LED Monitors

Luckinslive 404450560

### General Information

|                  |                         |
|------------------|-------------------------|
| Dimensions (mm)  | 452.14 x 340.97 x 184.9 |
| Colour           | Black                   |
| Materials        | Plastic                 |
| Weight (Kg)      | 3.67                    |
| Warranty (Years) | 2                       |

### Supply & Power

|                         |                            |
|-------------------------|----------------------------|
| Supply Voltage (V AC)   | 100 - 240                  |
| Input Type              | 1 x BNC, 1 x HDMI, 1 x VGA |
| Current Consumption (W) | < 30                       |

### Media Information

|                       |                                                                      |
|-----------------------|----------------------------------------------------------------------|
| Screen Size (Inches)  | 18.5                                                                 |
| Supported Resolutions | 720x400, 640x480, 800x600, 1024x768, 1280x1024, 1680x1050, 1920x1080 |
| Aspect Ratio          | 16:9                                                                 |
| Number of Speakers    | 2                                                                    |
| Number of Speakers    | 2                                                                    |
| Speaker Outputs       | 8Ω 2 Watt                                                            |

### Environment

|                                  |         |
|----------------------------------|---------|
| Operating Temperature (°C)       | 0 to 40 |
| Relative Humidity Resistance (%) | 85      |

**Features** BNC analogue input  
100mm x 100mm VESA Mount
