

MAGNETIC STAND-OFFS

POWER SUPPLIES

MSO connect's new 'click in' 'click out' system supersedes mesh based PSUS allowing truly universal installations.

- Connects any control board/pcb/relay that accepts stand-offs
- Reusable
- Fix 1st time
- Interchangeable upon application

MSO-4

MSO-8

SPECIFICATION

MSO-4
• 4 x Magnetic stand offs

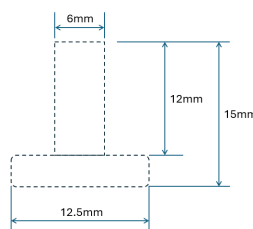

MSO-8
• 8 x Magnetic stand offs

- Suitable for use with a wide range of:
 - access control units
 - PCBs
 - relays

- Tested for use with a wide range of access control units such as Salto, Paxton (as well as many others)

FEATURES

- 15mm high to allow for multiple styles of control boards
- Additional height allows for potential cabling underneath some boards
- Maximum holding force to prevent boards from slipping once installed
- Optimum holding force to allow easy movement of control board across PSU box when installing.
