Datasheet

CDV-470DX - 2-Wire 7-inch WiFi Monitor

Product Description

2EASY

The CDV-470DX is a 2-wire, 7-inch digital and touch screen monitor with picture/video memory. The monitor is WiFi enabled. The mobile app allows users to control access from their smartphone by receiving calls and releasing locks remotely.

The CDV-470DX is an upgrade of our former CDV-47DX. Upgrades include: higher screen resolution, improved software with new interface design, vertical and horizontal mounting, and quad-view (receive calls from up to 4 door stations - IP interface required)

Ideal for single residential homes or apartment blocks with up to 128 internal monitors, 2EASY is a reliable home security solution.

Key Features

- 7-inch digital touch screen monitor
- WiFi connection and mobile app
- Call recoding management
- Built-in picture/ video memory
- Available in black or white
- Vertical or horizontal installation
- No SD card needed for software upgrade
