EURO-ZEM32-WE

| **INPUT AND OUTPUT EXPANDERS TECHNICAL CHARACTERISTICS** | Plastic housing | Yes |
| | Tamper protection | Front and rear |

ENFORCER TWO-WAY WIRELESS TECHNOLOGY	Instant two way device control (ITDC)	Yes
	Pyronix high security two way wireless data encryption protocol (TDE)	Yes
	Pyronix intelligent jamming detection	Yes
	Programmable wireless supervision time	Yes
	868MHz transceiver FM technology	Yes
	Tranmission method	Fully encrypted rolling code
	Transmission range	1.6 km in open space

INPUTS & OUTPUTS	Two-way wireless inputs	32
	Two-way wireless keyfobs	32
	Two-way wireless sirens	2

ENVIRONMENTAL AND OPERATING FEATURES	Storage temperature	-40C to +80C
	Certified operating temperature	-10C to +50C
	Nominal operating temperature	-10 to +50C
	Physical dimensions (H x W x D)	173 x 125 x 32mm

| **ELECTRICAL & BATTERY** | Operating voltage | 9V 15V |
| | Quiescent current consumption | 60mA |
