1 pc/ Box

Outer Carton Packing Qty
1 sets/Carton

Description

Upgrade your kitchen or bathroom with our Pull-Out Waterfall Kitchen Tap. Featuring a temperature display and three versatile water flow modes, this rotatable sink faucet combines functionality with modern design. Crafted from high-quality stainless steel, it offers durability, wear resistance, and leak-proof performance, making it an essential addition to any contemporary home.

Features

- **One-Button Switching Multi-Function Mode:** Easily switch between three water flow modes—soft water flow, powerful fog flow, and extensive waterfall flow—to meet various needs with just one button.
- **LED Digital Display & Temperature Control:** Monitor water temperature in real-time with the intelligent temperature display screen. The LED lights indicate temperature ranges to prevent accidental scalding or supercooling.
- **360-Degree Rotation and Extension:** Enjoy greater flexibility with the 360-degree rotation and 60-cm pull-out sprayer, allowing easy adjustment of the nozzle direction for washing and cleaning.

- **Long Handle Cold and Heat Control:** Accurately control water flow and temperature with the long handle design. Experience smooth operation to achieve your desired water settings effortlessly.
- **Wear-Resistant & Leak-Proof:** Equipped with a ceramic valve core, this faucet is wear-resistant and leak-proof. The elegant water plating technology enhances both durability and aesthetics.

Technical Parameters

Water Flow Modes	Soft Water Flow, Powerful Fog Flow, Waterfall Flow
Temperature Display	LED Digital Display
Rotation Angle	360 Degrees
Extension Length	60 cm
Material	Zinc Alloy + Stainless Steel
Valve Core	Ceramic
Water Inlet Pipes	3/8" Hot and Cold
Temperature Range	Blue: 0-30°C (32-86°F), Green: 30-40°C (86-104°F), Red: 40-70°C (104-120°F)
Control Handle	Long Handle for Cold and Heat
Installation	Easy Installation with Included Hardware

Box Contents:

- 1 x Pull-Out Waterfall Kitchen Tap
- 1 x Pull Down Sprayer
- 2 x 3/8 Hot and Cold Water Inlet Pipes
- 1 x Set of Mounting Hardware
- 1 x User Manual
