

Waterproof box for Wireless Receivers

SKU Code : WS1000
EAN Code : 5060774555484

Features

- ▶ **High-Quality ABS Material:** Made from high-quality ABS flame retardant material that feels very strong, completely non-toxic, does not produce harmful substances, ABS material can make the product have anti-corrosion, heat-resistant performance, and has certain toughness and hardness, prolong service life and repeated use.
- ▶ **Suitable for Indoor and Outdoor Use :** Suitable for indoor and outdoor electrical, communications, firefighting equipment. On a rainy day or strong sunshine weather, the wires are easily exposed to damage when exposed to the outside, and the junction box can be used to make the wires safer and extend the service life of the wires.
- ▶ **Easy Installation :** It is easy to Install. Check the manual guide for the assistance.
