

Product Code: CPS9W

Description: 9 Way 12V DC 5 Amp CCTV Power Supply

General Information

Dimensions (mm)	201.5 x 238.5 x 61.5
Finish	Grey
Materials	Steel
Mounting	Surface
Warranty (Years)	3
Supply & Power	
Supply Voltage (V AC)	110 - 240
Inputs & Outputs	
Number of Outputs	9
Output Rating	12VDC Regulated @ 1 Amp (each)
Environment	
Operating Temperature (°C)	0 to -40

- Features**
- Automatic fuses to protect the power supply from overloads or short circuits
 - LED indicators for Mains power, and DC output power
 - Internal switch to isolate DC outputs
 - Key lock to secure internals
