

Product Code: PLA

Description: Single Port Powerline Adapter

General Information

Status Indication	PWR - Power PLC - Power Line Communication ETH - Ethernet
Warranty (Years)	3

Supply & Power

Operating Voltage (V AC)	220 - 240
Frequency (Hz)	50
Power Consumption (W)	4.6

Construction

Materials	Polycarbonate
Finish	White

Transmission

Maximum Communication Range (m)	300 (Over Existing Electrical Wiring)
Interface	1*10/100Mbps (Ethernet Port)

Environment

Operating Temperature (°C)	0 to -40
-----------------------------------	----------

Additional Information Works on Single Phase Ring Mains Only
